

18<sup>th</sup> May 2010

Dear Russ,

I am over the moon to report with your amazing professional help with the Enchanted Ball that you compared and auctioneer on the night of the 15th May 2010.

We made £37,000.00. !!!!!!!!!!!

That is the most the school has ever made in the five balls that have been run, last year was £28,500.00.

So we can only say a huge and heartfelt thank-you. Your phone is going to be red hot from parents at the school who were so impressed. I know Anna will be in touch asap to thank-you officially on behalf of the school.

Kindest Regards

Chyna Woolfendon
